ANNUAL REPORT

Fiscal year 2002-2003

The Northern California Spelmanslag

The Northern California Spelmanslag is a non-profit public benefit corporation which aims to promote Scandinavian music, dance and culture through special workshops, regular meetings, concerts and performances. The organization consists of a central organization and four member groups: the Mid-Peninsula Scandinavian Dance Group, Nordahl Grieg Leikarring (and Nordahl Grieg Spelemannslag), Nordic Footnotes, and Scandiadans Scandinavian dance class. The Spelmanslag also contains many individual members who are active in dancing or in playing Scandinavian music, loosely organized in groups by locality.

The Northern California Spelmanslag organizes and presents festivals which include extensive instruction in both folk dance and folk music, dance parties, and concerts, often including dance demonstrations. We also play host to visiting musicians, and organize musicians' workshops, concerts, and/or dances in conjunction with their visits.

The Spelmanslag has worked with other Scandinavian organizations in promoting Scandinavian culture. We have maintained contacts with various Scandinavian organizations and agencies, promoting communication and informing them of our activities. We have also sought to promote communication and cooperation between various groups across the country which promote Scandinavian culture. We mail copies of our newsletter to individuals and groups across the United States who are involved in organizing events which promote Scandinavian folk music and dance. The newsletter keeps them informed regarding Scandinavian folk dance and music activities in Northern California, and provides an outlet for them to inform others of their local special events. We have cooperated with several groups around the country in organizing tours of Scandinavian guest instructors.

The Spelmanslag publishes the Northern California Spelmanslag News quarterly. The first volume was issued in September of 1990 and this year completes our thirteenth volume. The newsletter keeps musicians, dancers, and members of the Scandinavian community informed regarding our activities. The newsletter includes a calendar of Scandinavian folk music and dance activities as well as related cultural events in northern California and elsewhere, news about the Spelmanslag organization, and articles of general interest.

The Northern California Spelmanslag maintains an internet web page at <http://members.aol.com/jg_little/ncs.html>. Besides basic information about the spelmanslag organization, this page includes a regularly updated calendar of Scandinavian events in northern California, the US, and, to some extent, in Scandinavia. It also includes an online version of the Northern California Spelmanslag Newsletter, links to other web sites, a list of members of the board, their phone numbers and email addresses, and tips for planning events and submitting event ideas to the board for approval.

In future years, we intend to continue striving towards our goals of promoting Scandinavian folk culture and cultural exchange. We will remain active in bringing instructors from Scandinavia to teach folk dance and music, and will continue to hold regular meetings for musicians and dancers. We hope to further develop the sense of community among local musicians and dancers, and will continue to work together with the larger Scandinavian community both locally and across the country.

The Year in Review: 2001 -2002

During the 2002/2003 fiscal year, NCS has held regular meetings for musicians in three Northern California locations where Scandinavian folk music has been taught and shared. The Spelmanslag also sponsors regular Scandinavian dance classes via the Mid Peninsula Scandinavian Dancers, Scandiadans, and the Nordahl Grieg Leikarring, and has provided these and other groups with non-profit status and insurance coverage. Through these regular activities, we have been successful in introducing newcomers to Scandinavian music and dance.

The Nordahl Grieg Leikarring and Spelemanslag hosted weekend workshops at the Sons of Norway Camp near Alta, California in November 2001 and April 2002. The Barneleikarring associated with the Nordahl Grieg Leikarring hosted a Family Dance weekend at Camp Norge, Alta, California, in January 2002.

NCS have also provided performances of Scandinavian folk music and dance for other Scandinavian organizations and for the general public (see the table of activities and performances included in this report). The Nordahl Grieg Leikarring continues to be a busy performing group with over 20 appearances.

Financial Policies

All activities of the Northern California Spelmanslag are organized and provided by volunteer services. Board members receive no compensation for their services. Volunteers do not typically receive free admission to events.

The Spelmanslag does pay guest instructors to cover their expenses; typically we are able to cover airfare and a stipend which should cover their ground travel and per diem expenses while in the San Francisco Bay Area.

Admission costs to special event workshops are based at cost divided by expected attendance. Admission to concerts and dances is based at or slightly above cost. Any profit above expenses is deposited in Spelmanslag accounts for use in future special events. There is no admission charge for regular musicians' gatherings.

Financial policies may vary somewhat for member groups.

Financial Goals

Our financial goal as an organization is to develop and maintain a reserve fund equivalent to the total budget for a special event festival (typically \$8,000 to \$12,000), plus the annual budget for the newsletter (approximately \$2,500). This brings our goal to about \$15,000 for the central NCS account. Having this amount in our account would allow us more leverage in organizing special festivals, and would allow us to take risks such as sponsoring a festival of music and dance from less-known regions of Scandinavia. Our financial reserve allows us to pay for up-front expenses (airfare, hall deposits, publicity) as they occur.

The central NCS account has continued to obtain contributions from members and individuals who wish to promote Scandinavian folk music and dance. However, these contributions do not yet cover the annual cost of producing the NCS news. We hope in future years to increase contributions in order to fully support the newsletter and to increase our reserve fund.

Financial Report

The Northern California Spelmanslag operates on a fiscal year which runs from October 1 through September 30.

Please note that only the income and expenses which fall in the fiscal year of 10/1/2002 - 9/30/2003 are reported.
